Cambridge National in Health and Social Care

This qualification is an engaging qualification where you will use your learning in practical, real-life situations, such as:

- valuable communication skills that are extremely attractive in the modern workplace
- an understanding of the rights of individuals and person-centred values and how to apply these when working with individuals
- vital knowledge and understanding of how to protect individuals through infection prevention, safeguarding and safety and security measures
- an understanding of growth and development through the life stages
- an understanding of life events and how to support individuals through them
- optional units to suit you
- transferable skills, such as evaluation, planning, presentation/delivery, and research skills
