

Year 7 Music Journey

Term Focus

HT1

Find Your Voice

Exploring pitch, rhythm and dynamics using our voices; performing a pop song in unison/harmony; singing in time; building confidence.

HT2

The Planets

Using Holst's The Planets Suite to listen and appraise musical elements; creating a piece of music to represent the moon; composing an ostinato, pedal and motif.

HT3

Keyboard Skills

Learning the C-position technique on the keyboard; finding the notes and understanding the layout of the keyboard; reading rhythmic notation; performing Ode to Joy; learning Italian words for tempo and dynamics.

HT4

Keyboard Skills

Developing fluency through good technique; reading treble clef notation; performing in time when playing Ode to Joy; adding in the left hand notes; learning about texture.

HT5

Harry Potter and the Orchestra

Developing listening skills and knowledge of orchestral instruments; composing a melody in binary form to represent a Harry Potter character.

HT6

Just Play

Learning to play chords on the keyboard, ukulele and guitar; performing in time as a class band; developing instrumental techniques.
