

# Construction & Built Environment\_

Construction & the Built Environment Level 1 / 2 Award is designed to support learners in developing an awareness of certain key considerations. It mainly supports learners in schools and colleges who want to learn about the construction industry from the build perspective. It provides learners with a broad introduction to the different trades involved in the sector and the types of career opportunities available.

## **How is this subject assessed?**

WJEC / EDUQAS **Construction & Built Environment** are combined Level 1 and Level 2, to recognise the achievements of pupils of all abilities. They're graded from Level 1 Pass, through to Level 2 Pass, Merit, Distinction, Distinction\*
