

Year 9 Computer Science Journey

Term Focus

HT1	Move, rotate, scale, colour skills in blender Animation, names, parenting Complex models and colours
-----	--

HT2	Organic modelling Lights, camera, render Project
-----	--

HT3	Micro Bits- Introduction Micro Bits - Built in Functions Micro Bits-Wireless Communication and GPIO pins
-----	--

HT4	Micro Bits-Draft of a project Micro Bits-Create your project Micro Bits- Evaluate and improve your project
-----	--

HT5	Creating Binary images using pixels RGB Colour Mode Manipulating digital images.
-----	--

HT6	Representing sounds in computers Calculating sound file size Alternative ways of representing sound
-----	---
