Dear Martin

We are writing to congratulate you and your staff on the very strong outcomes gained by your pupils in the summer of 2022.

We know the last three years have been ones of extreme turbulence and also that our region was disproportionately affected by high Covid rates. The forbearance you have shown during this time has been admirable and what is most impressive is that despite the challenges Co-Operative Academy Priesthorpe has moved forward at pace.

We are aware that this does not happen by chance and is the result of strong leadership and the commitment and dedication of staff and governors.

We appreciate your ongoing ambition in securing stronger outcomes for your students and if our team can offer any support, please do not hesitate to contact us.

In the meantime, please share our congratulations with staff, pupils and governors.

With our best wishes and thanks.

Yours sincerely
